

AUTISM DIAGNOSTIC OBSERVATION SCHEDULE (ADOS-2) Modules 1-4 & Toddler module Introductory Clinical Training Application

Thank you for your interest in the *Introductory Clinical ADOS-2 Workshops* at the North Central Ohio Educational Service Center.

These workshops are designed for clinicians with prior background in autism and formal testing, including psychologists, physicians, speech-language pathologists, social workers as well as professionals and graduate students in related fields.

Independent trainers, from Sunfield Center for Autism, ADHD and Behavioral Health, will be presenting these workshops through a variety of teaching methods, including lectures, videos, scoring discussions and live administration of the instrument.

Sunfield Center is approved by the American Psychological Association to sponsor continuing education for psychologists. Sunfield Center maintains responsibility for this program and its content. Sunfield Center designates the followings CEs for ADOS2 trainings: **14 CE** credits for the ADOS-2 (Modules 1-4) 2-day training, and **7 CE** credits for the ADOS-2(Toddler Module)1 day training.
